Good Luck always Mr. Neal

Time . . .

There is time for all things
Though little.
Space your days and
Trace them with memories.
Remember the long halls and
The smiles of those friends.
For these are the faces
You think you will always remember.
Make it good . . .
Use time as though you knew its value,
Lost time is not found again.

Paula; Good Luck to you in everything you do - Debbie Milford

Paula, Good Luck in the future, have fun and Mark Reed

Paula, I hope that you have all the luck in the world. Have fun and be good. Always Kat

How glad I thought I'd be
To leave
I'd be leaving friends, but
I'd see them again.

Foolishly, I thought I could
Close this chapter
Of my life as one
Closes a book.

I hadn't realized that life
Is not a book
Of chapters and pages closed at will,
But perpetuality.

So today is merely a non-existent
Partition between
Yesterday and tomorrow, and as
I say goodbye,
I am sad.

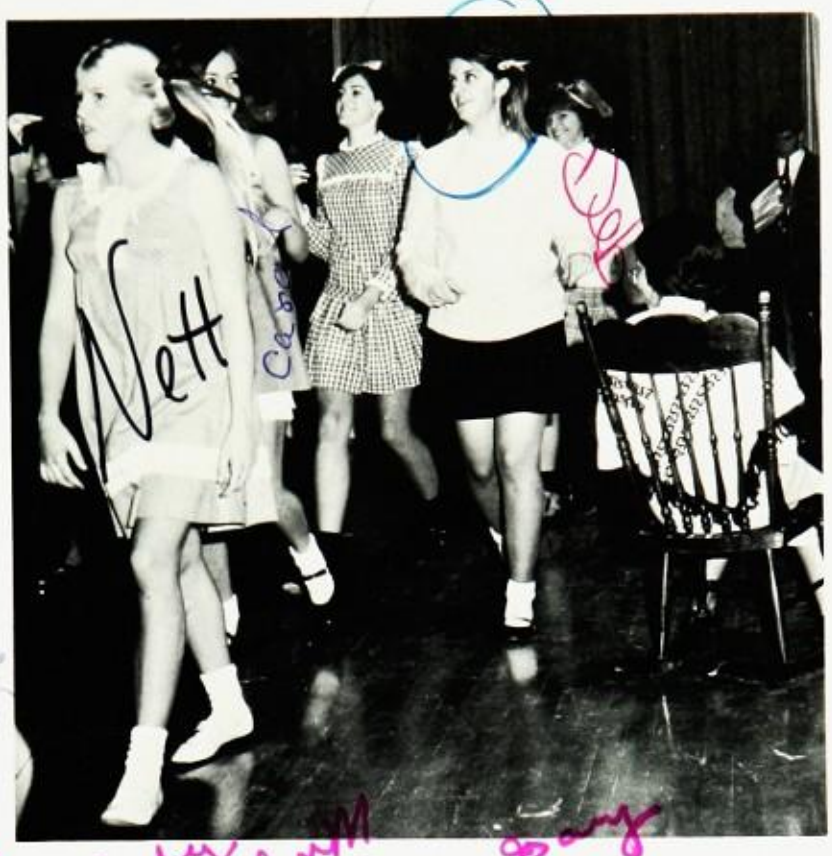
On these pages are examples of just ten traditions at East High. Most important, of course, is the flag of the United States of America. The flag is a tradition that is 193 years old. I hope it will last forever.

All but one of the pictures on these two pages show traditions only as old as East High. The sophomore class always builds a bonfire. Yet, seniors every year will agree that their bonfire was the best. Sen-

iors also think that they worked harder to become accepted than the current sophomore class.

This year a new tradition was started concerning assemblies. Seniors no longer sit only in the center section.



We still listen to the new Eagle of the Month stammer out a thank you.

We still have campaign assemblies in which we try to get a candidate elected.

We still have last year's football queen crown the new queen. And the football coach still talks to the student body at pep assemblies.

The clock signifies the oldest tradition of all-TIME. This clock shows the favorite time of most students at East.

And we still talk as we walk to class.

SERVICE

"Mr. Dunlap has unselfishly given much more of his time and of himself than the positions required and through diligence and wisdom he has helped guide the district to its present position of . . . the finest school district in the state."

For 12 years John T. Dunlap has been District 60 Superintendent of Schools. His resignation was made effective April 1, 1969.

Prior to serving as Superintendent, he served as principal of several schools and also as Assistant Superintendent until 1956, when he assumed the title of Superintendent.

Mr. Dunlap was born in Pueblo on Christmas Day of 1903, attended local schools, and graduated from Central High School in 1922. He has been a member of local, state, and national education associations.

It is for his many commendable services and assistances in furthering the education of students in Pueblo we dedicate the 1968-1969 "Eagle" to Mr. John T. Dunlap.

CLASSES

Almost three years ago our class of 1969 came to East High School scared, and unsure of ourselves as a class. Since then we have come together and stockpiled a treasury of memories we shall not easily forget. The Prom, the football championship and Homecoming will be remembered; but the truly memorable days of our high school years will be the trivial happenings.

Years from now as we reflect on our high school days, the pep dance with that special girl, passing a hard chemistry exam, and clapping out the seniors will be the activities which will stand out in our memory.

What Are Years?

What is our innocence,
what is our guilt? All are
naked, none is safe. And whence
is courage: the unanswered question,
the resolute doubt,—
dumbly calling, deafly listening—that
in misfortune, even death,
encourages others
and in its defeat, stirs

the soul to be strong? He
sees deep and is glad; who
accedes to mortality
and in his imprisonment, rises
upon himself as
the sea in a chasm, struggling to be
free and unable to be,
in its surrendering
finds its continuing.

So he who strongly feels,
behaves. The very bird,
grown taller as he sings, steels
his form straight up. Though he is captive,
his mighty singing
says, satisfaction is a lowly
thing, how pure a thing is joy.
This is mortality,
this is eternity.

SPIRIT

FOOTBALL

This year we had a new coaching staff. When they went out on the field in late August, most of them had never coached a high school football team before, but they were determined to build a good, well disciplined football team. They accomplished what they set out to do, even if their record didn't show it. And most of all they got experience, which is essential in athletics, for use in building future Eagle powerhouses.

Leaves of gold, smell of fried chicken on grills of iron, feel of frost, that touches the marrow . . . winter will be here soon . . .

As the poet so eloquently describes the mood and very feeling of fall, he omitted one sensation of utmost importance—football. Good old all-American football; what would fall be without it. Unthinkable! Fall a time of dreams and disillusionment as teams of finely honed muscle engage in the duel of sport. East High School met disillusionment in losing—but certainly they tried and they did win. Not on paper or plastic tape did they win, but in the hearts of young men you never lose. They tried, they gave sweat, blood, and guts. Is any more required . . .

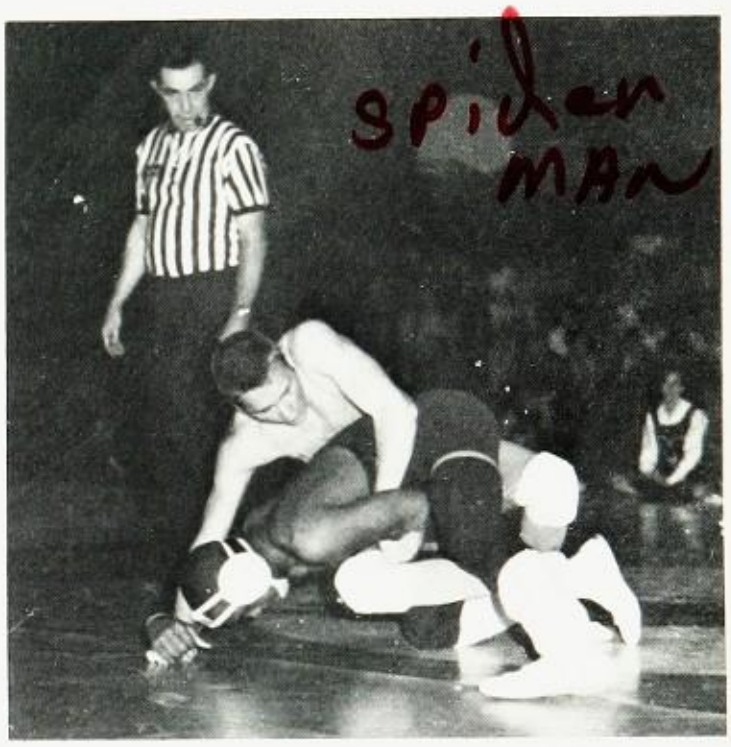
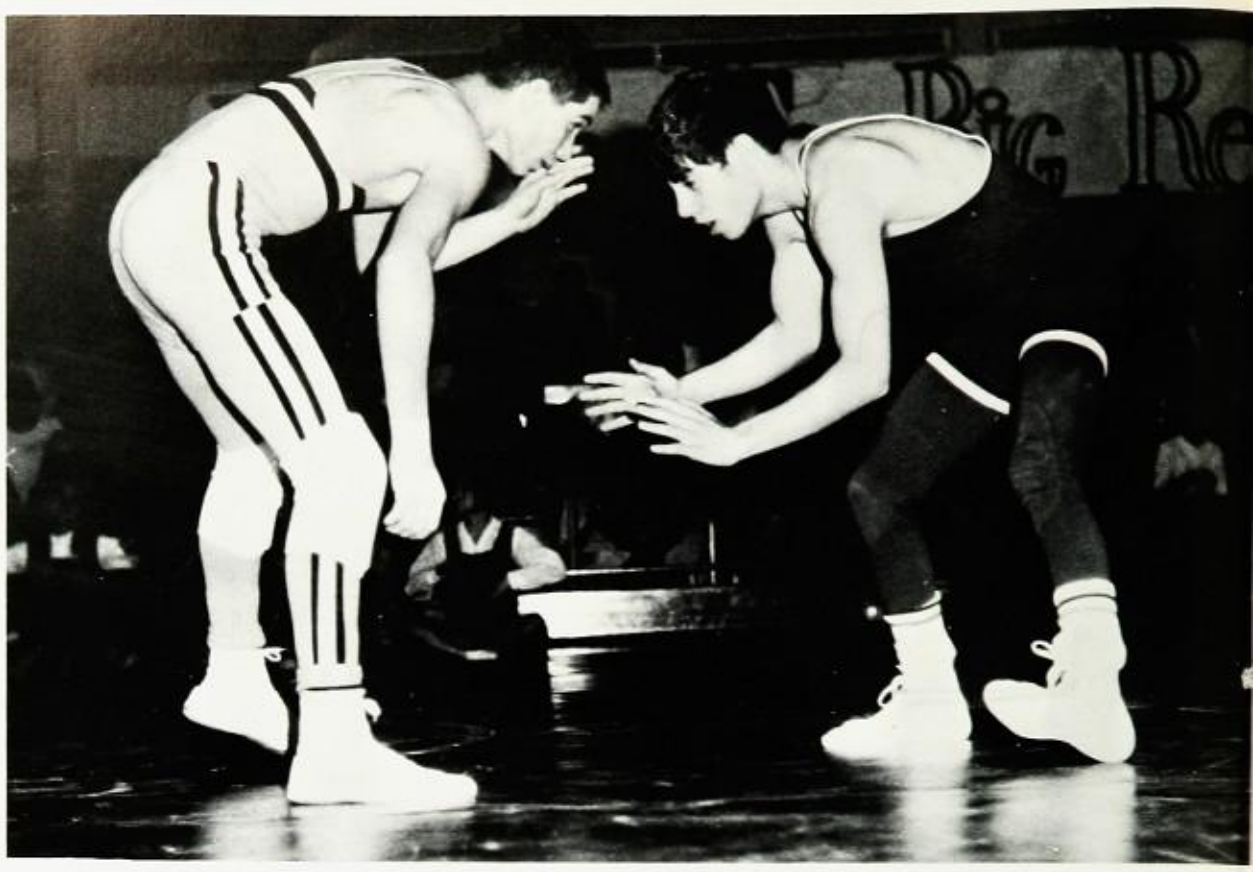
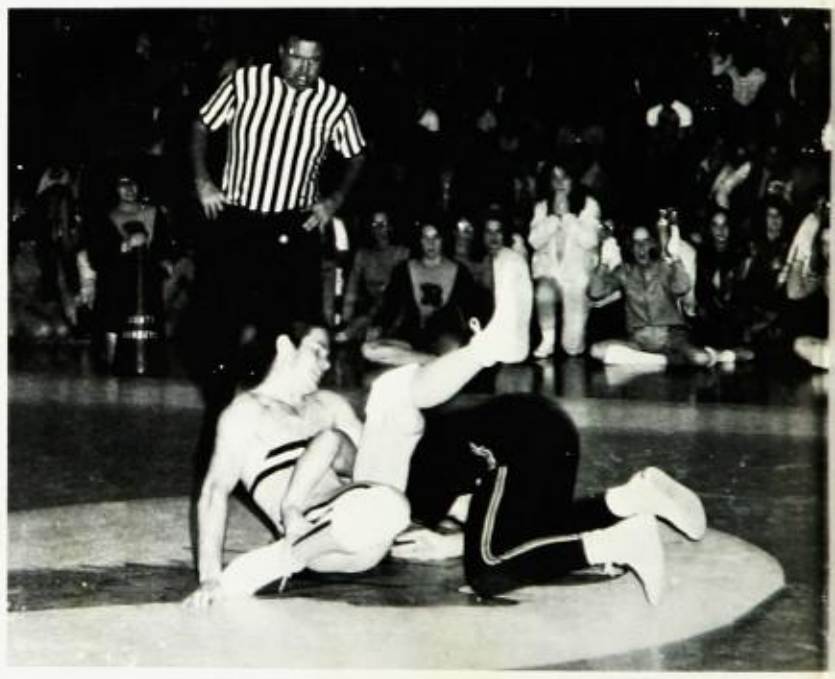
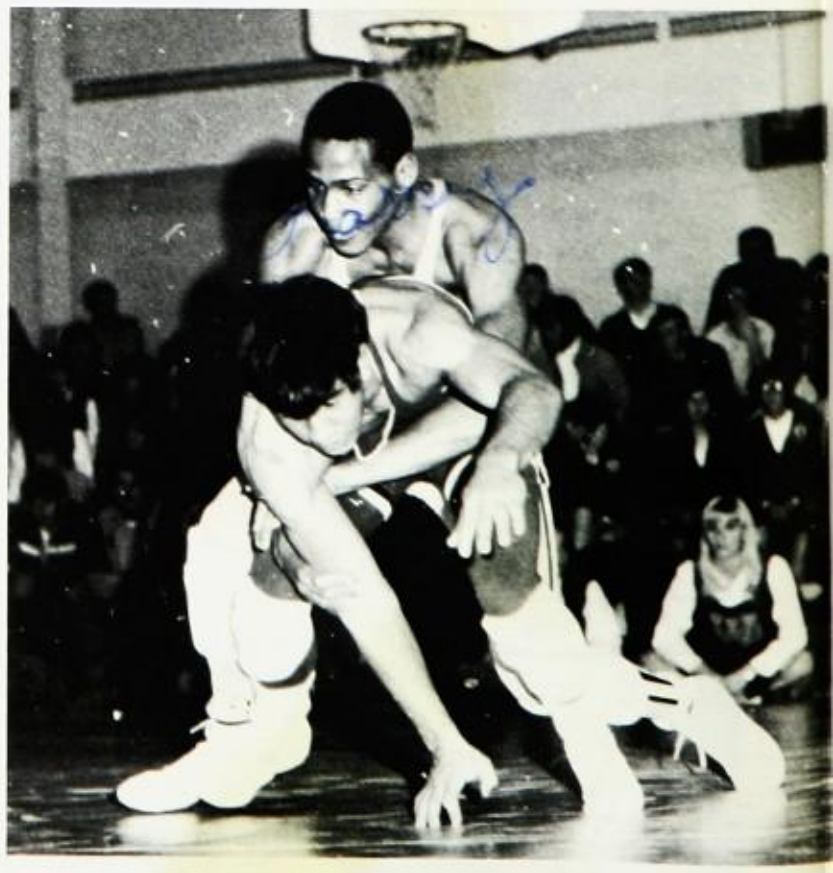
WRESTLING

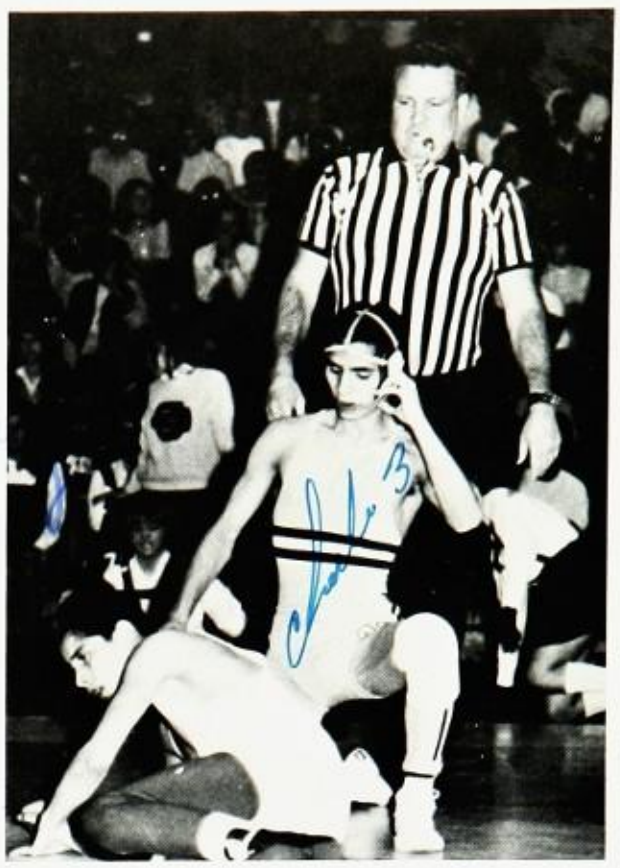


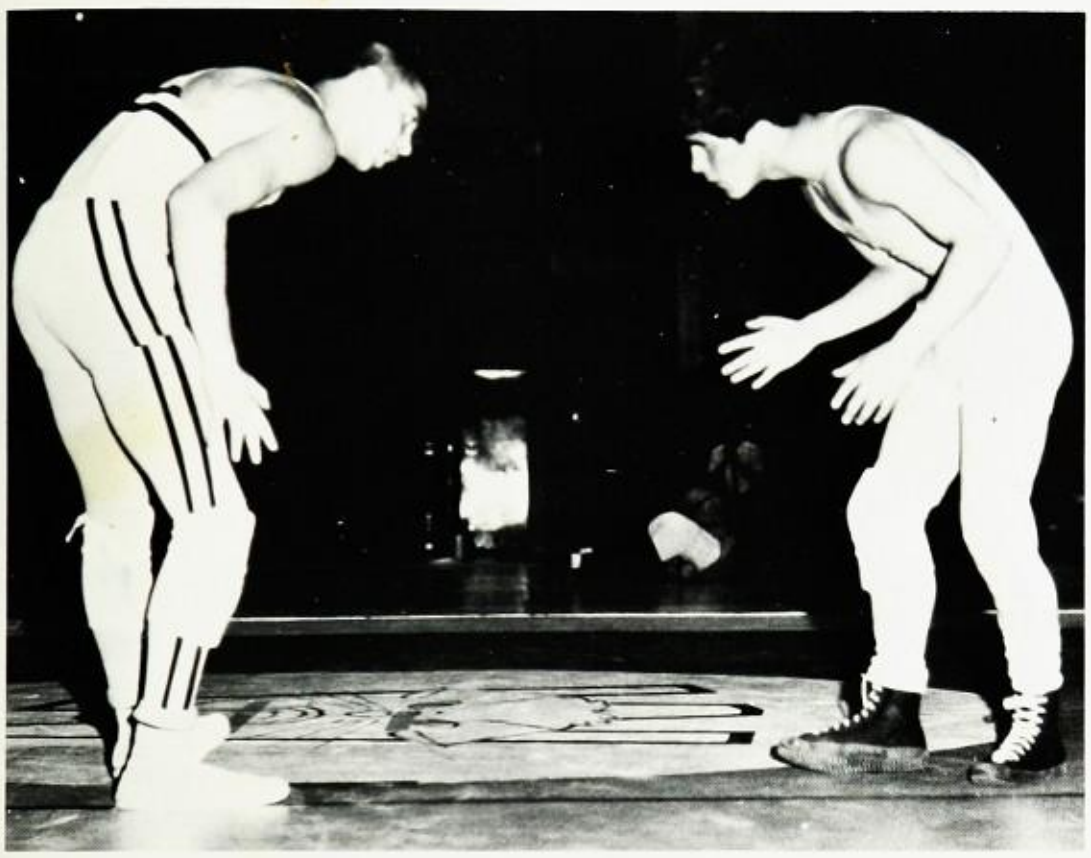
WRESTLING: The Sport Of Men! Physical strength and agility are two of the most important things necessary. Most important of all though, is DESIRE.

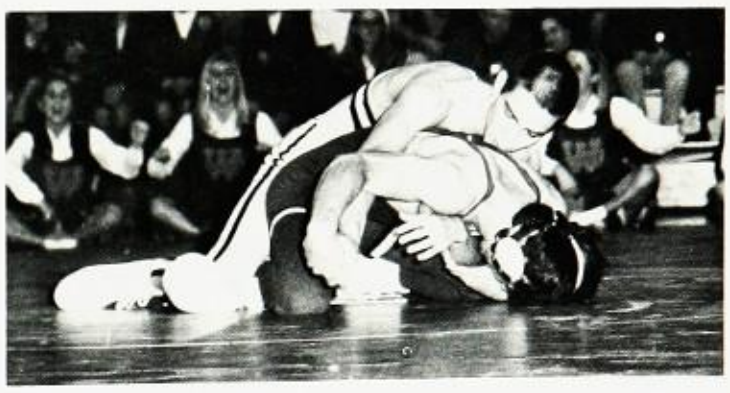


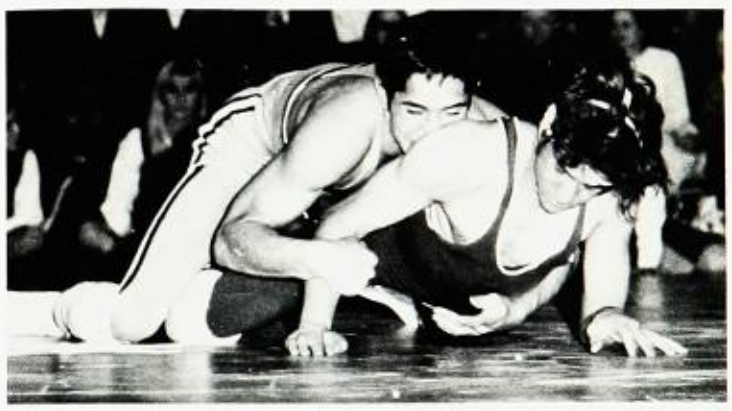


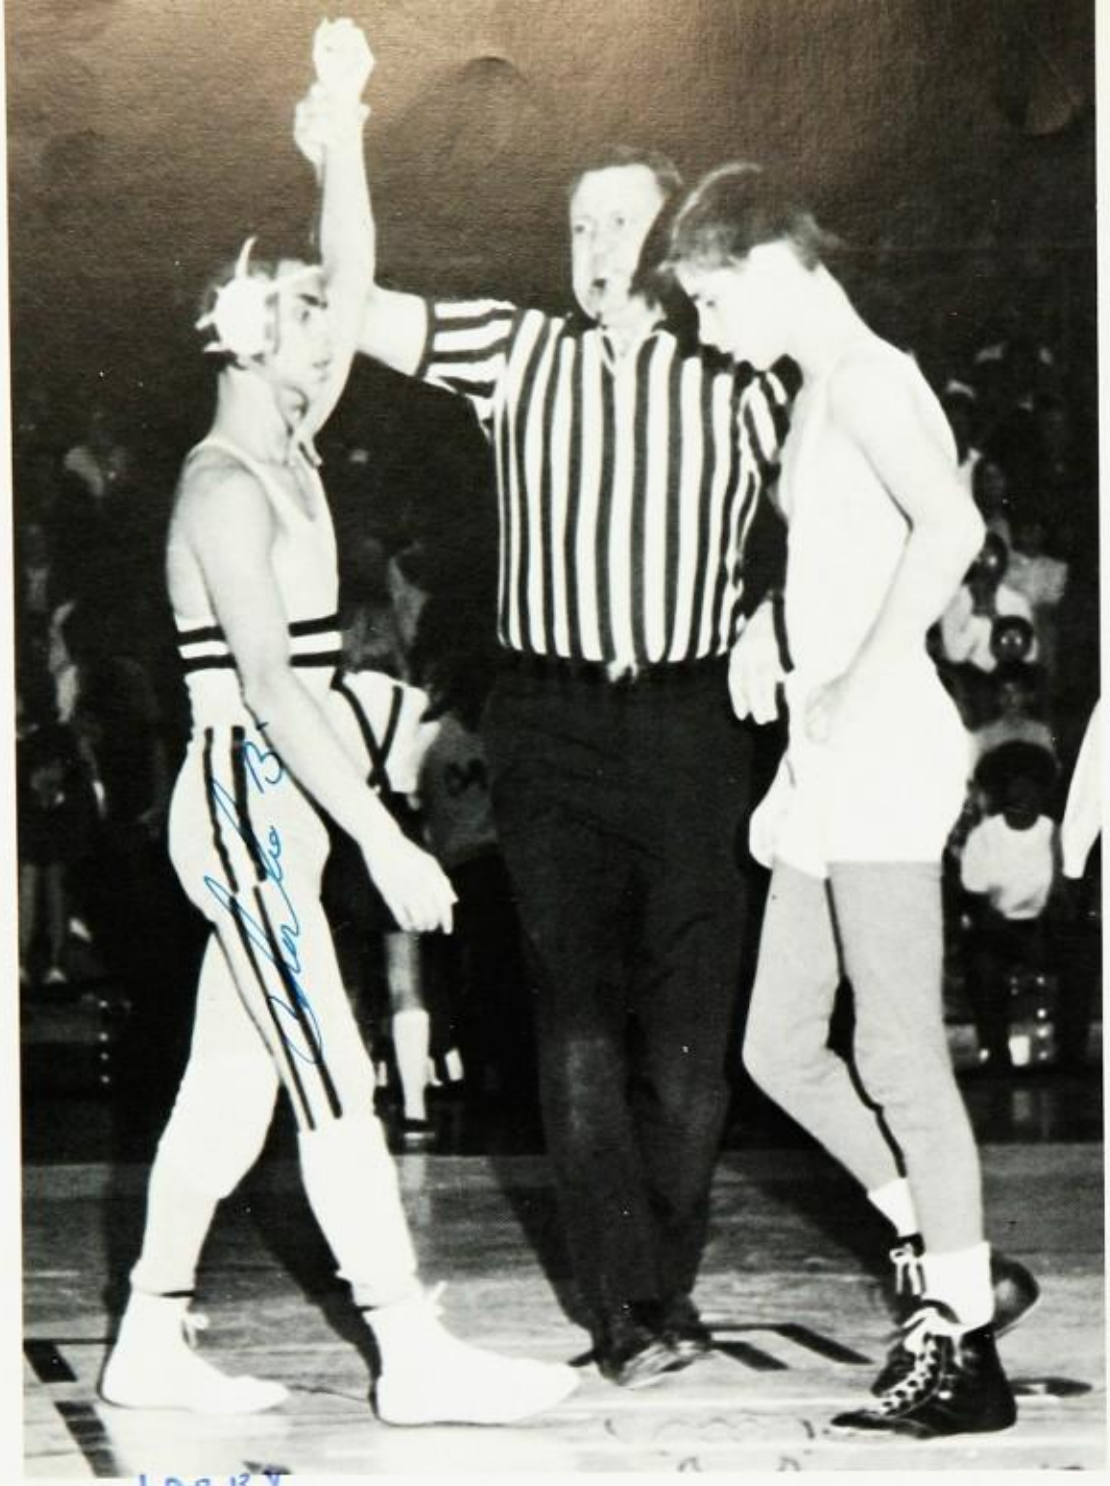












LARRY

JACKSON BRINGS HOME FIRST STATE WRESTLING CROWN

This year's team was a team full of pride and desire. They never gave up when they were down and vastly improved toward the end of the season. The season was highlighted by Larry Jackson becoming East High's first state wrestling champion.

CHARLIE

KORTE TAKES THIRD IN STATE

East High School ranked a high seventh place at the State Wrestling Tournament due to the performance of 133 pound junior Larry Jackson who took the state crown and senior Charlie Korte who took third in the 95 pound bracket. This wrestling season was a very gratifying one.

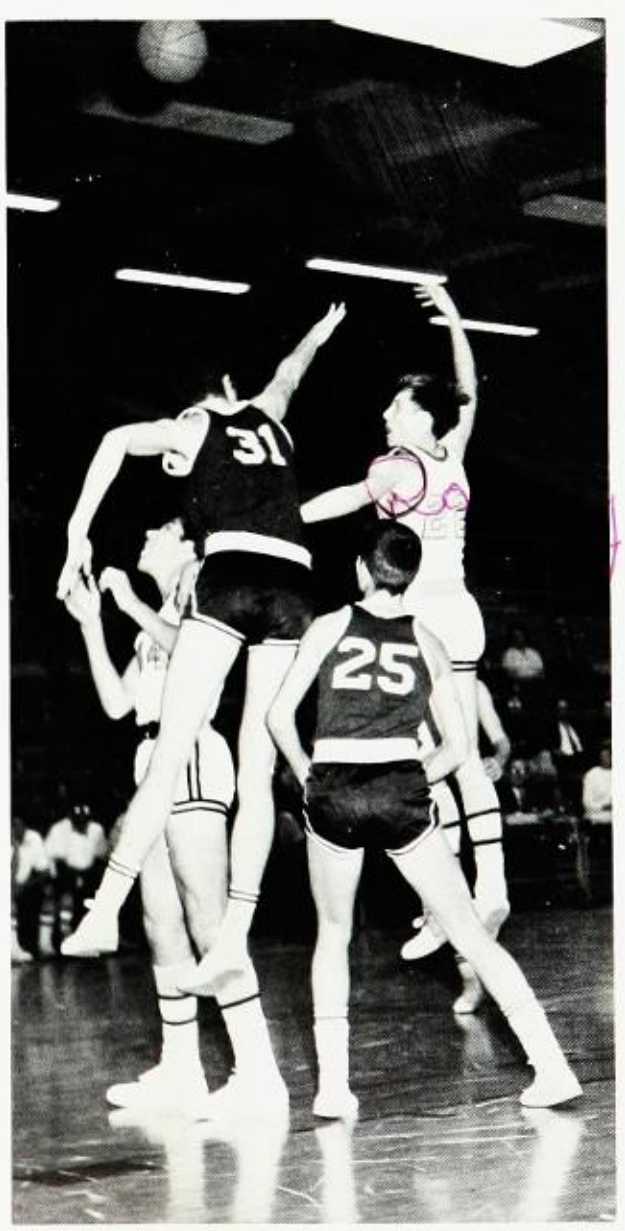
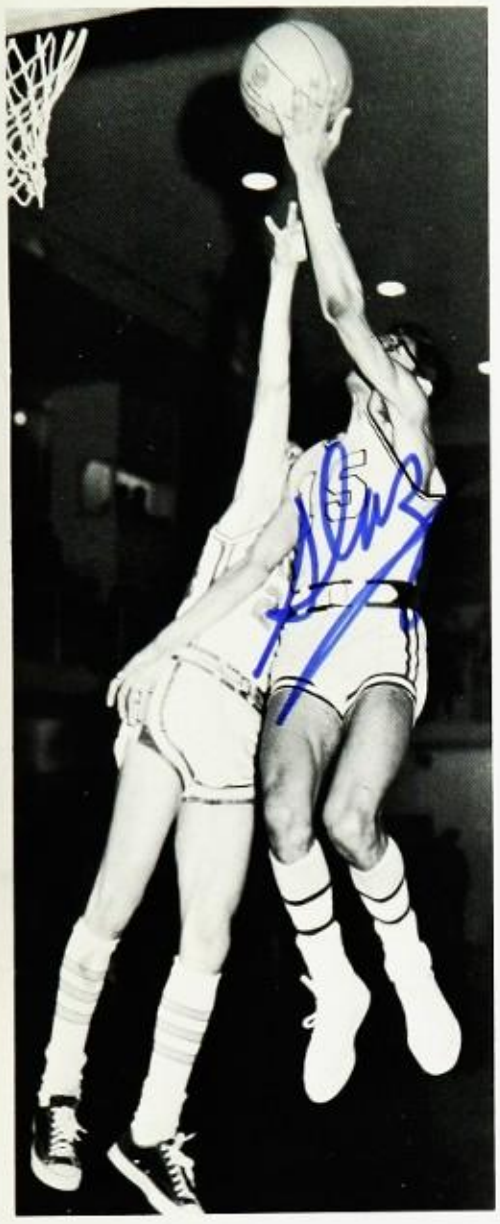
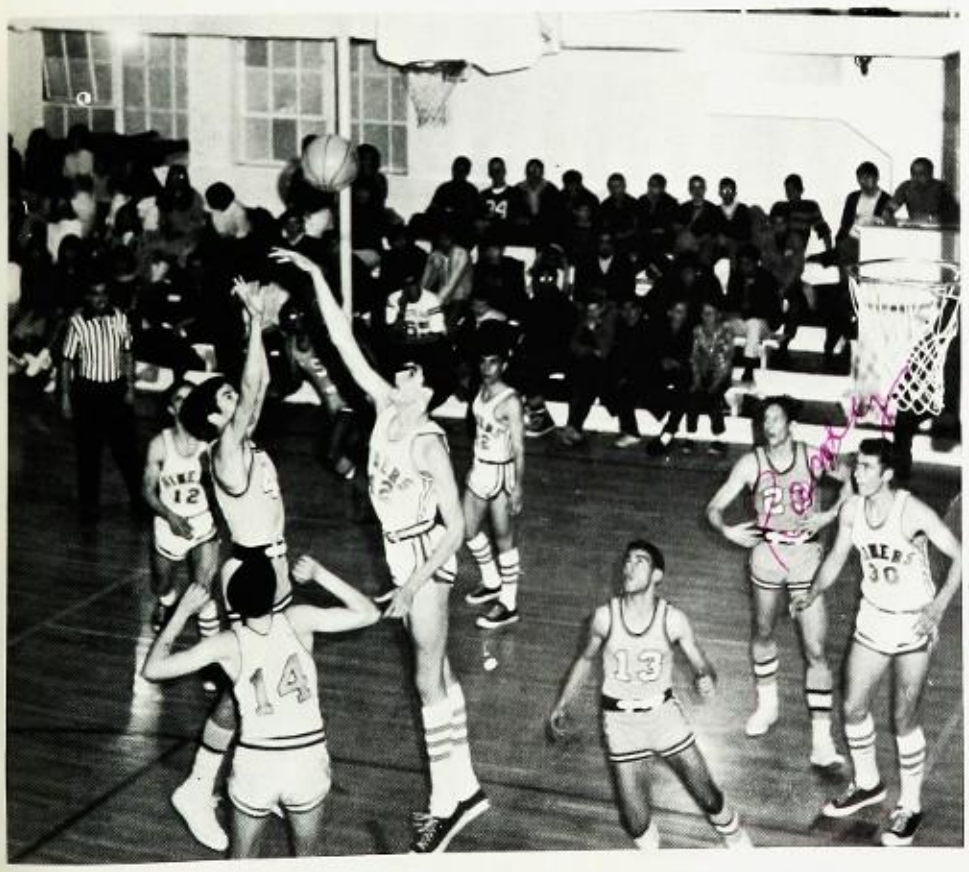
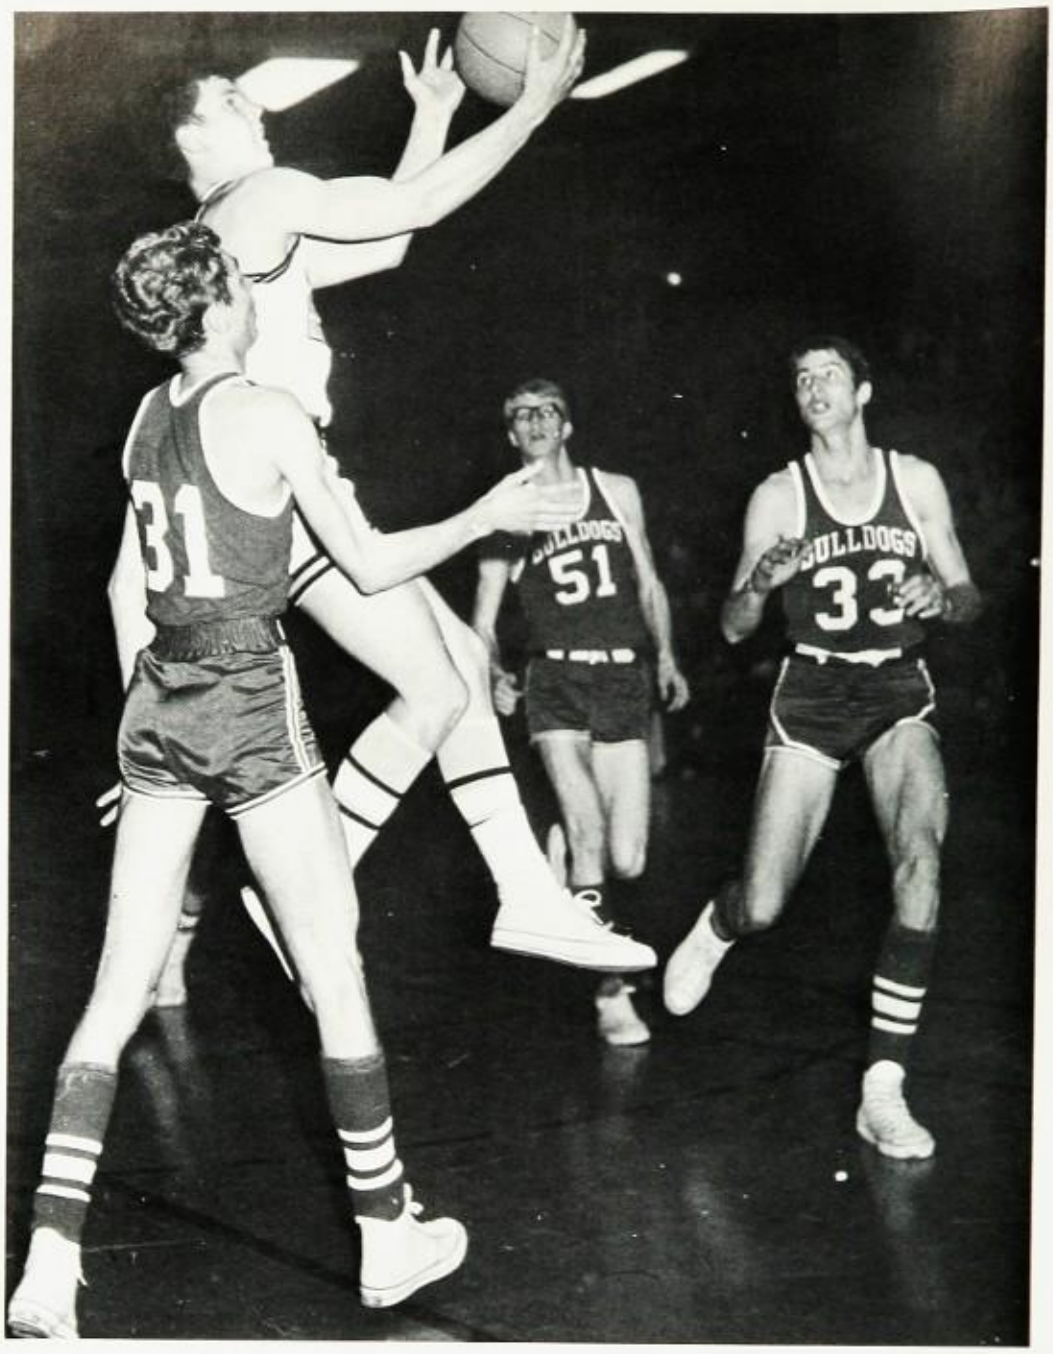
BASKETBALL



VICTORY!







The 1968-69 East High basketball team was characterized by several young players who gave much depth to the returning lettermen. The Eagles had style, hustle, speed and ability.

Now that the season is over, Coach Mastrini and the East High student body are looking forward to next year.

The one thing the Eagles really profited from was the players that will return next year. They gained invaluable experience which will extensively be used to build future triumphant basketball teams.
